Several committees have also been formed to facilitate decision-making process, effectively.

Faculty and Staff

Availability of high quality human resources has been the major factor contributing to the success achieved in different spheres of activities at NITK, all these years. The institute is making concentrated efforts to fill up all the vacant positions, both in faculty cadre as well as non-teaching staff. The faculty members are encouraged to pursue higher education leading to doctoral degrees, both within the institute and on deputation to higher schools of learning like I.I.T.s and I.I.Sc, Bangalore.

Financial Support:

In view of the enhanced plan and non-plan grants, increase in R&D funding, an increase in student intake, enhanced consultancy and testing output and initiation of a few new infrastructural projects. The total

internal revenue generation through fee collection and other receipts was Rs. 42.65 crores. Our Corpus fund has been grown steadily to about Rs.135.49 Crores.

NITK is the beneficiary of financial support extended to Centrally Funded Institutions under Phase-II of the World Bank Assisted TEQIP Program. Under the scheme, NITK has received a total grant of Rs. 15 Crores till now. The main focus of this phase of the project is on improvement in post-graduate education and enhancement of our research activities and output.

Academic Activities:

Presently, NITK offers B.Tech programs in 9 disciplines and M.Tech programs in 25 specializations. In addition, MSc Programs are offered in both Physics and Chemistry Departments and the MBA and MCA programs are offered by Humanities, Social Sciences and Management and MACS Departments respectively. While M.Tech (Research) Programs have been started in all PG specializations, doctoral research is also being undertaken with scholars registered in all the Departments.

For the academic year 2015-16, about 836 students were admitted to the B.Tech. Program based on their scores in JEE-Mains /SAT Examinations. A total of 149 students joined the doctoral programs during 2015-16, including the increased focus on research at the Institute. There are about 514 Research Scholars in the Institute and during the reference year 60 students have been awarded PhDs.

Students' performance in examinations continues to be excellent with an overall pass percentage of more than 97.16 percent. Large number of our students has graduated with distinction. This year too, our students have excelled in GATE-2014 and CAT-2013 examinations which have fetched them admissions to top technological and business schools of India to pursue their post-graduate programs or MBA studies. A higher percentage of students, compared to last year, have been successful in obtaining admissions to the best universities in USA and Europe.

R & D Activities:

The Institute is steadily transforming itself into a Teaching-cum-Research Institute, with more and more R&D initiatives being pursued by the faculty. While the administration is trying to improve the research ambience in the Institute, the members of the faculty are responding to such initiatives by getting a large number of innovative R&D Projects sanctioned by various funding agencies like DST, CSIR, DRDO, CPRI, ICSSR, UGC, AICTE & Coal India Ltd.
